"Do Everything in Love"
Corinthians 16:14

Friday 3rd May 2024

This week many of our staff were stationed at Wicksteed Park sharing information about our 125th year celebration. We thoroughly enjoyed hearing the stories of many who attended, knew others who attended and the connections that we have with so many others across Kettering. (Pictures on next page).

We have recently created a Facebook page where everyone over the years can share their memories of the school with us. If you, or anyone you know came to our school please share the link below.

We have been focusing on forgiveness this week; forgive and you will be forgiven. It drew to mind both Malala and Mandela (our school Amazing Ambassadors) who have shown great courage and strength by forgiving others who did so much damage. A lesson for us all.

On page 3 are some wonderful photos we took from our "Love the World Day" on Saturday 20th April that we would like to share with you all.

I wish you a wonderful long weekend, we look forward to seeing you all on Tuesday 7th May.

With blessings,

Diane Wright
Headteacher (MA Education)

EAGLES TRIP TO NORTHAMPTON SAINTS

Last week, Eagles class had an amazing trip to see the Saints in Northampton. The children all took part in a two-hour training session in which they were fantastic: working as a team, passing the ball and completing a tag rugby game. Tai-Luke even managed to score a conversion by kicking the ball over the posts. After lunch we had a tour of the stadium which holds over 14,000 fans on matchdays. We saw their training facility and training rooms and got to sit in the padded seats. We also saw the first team getting on their coach for their trip away to Harlequins - lots of them said 'Hi' to the children. All in all, it was a wonderful day that inspired us to work together in sport and work.
