"Do Everything in Love" 1 Corinthians 16:14

Friday 8th July 2022

As the weather improves, we gain more momentum to go outside and enjoy the sunshine! This week was entitled 'have a go week' and we have been focusing on getting active and doing more. We had an incredible visit from Jordan Hart this week, an Olympic badminton player who encouraged us all to get active through sporting competitions. The incredible turnout of families at sports day this week has been wonderful. The competitive spirit of many of our parents did not go unnoticed. The children had an amazing time developing their athletic skills further. As the sunshine and heat will continue into next week, we will make provisions at lunchtimes to ensure there are cool areas for children to enjoy. Please may we remind you to send your child into school with sun cream and a sun hat.

REMINDER: There will be no after school clubs running next week.

Dear parent/carers

It has been a strange couple of years, from wrapping up warm so classroom doors can stay open and increase ventilation to coming to school in PE kit!

As a school, we think the children coming to school in PE kit has been really helpful, with fewer lost items of clothing and more time doing PE rather than getting changed!

This will therefore continue in September.

On their PE day, children need to come to school in plain blue shorts, a plain white T-shirt and trainers. If it is cold, they need a plain blue sweatshirt and plain blue joggers.

No pictures, slogans or motifs please.

We have included examples of the PE uniform above to give you an idea of cost so you are able to prepare for September when this will be enforced.

One child's PE kit should cost from:

Shorts 2 pack	3.00
T shirts 2 pack	2.00
Sweatshirt 2 pack	4.00
Joggers 1 pair	6.00
Total cost	£15.00

If you do not label clothing clearly with your child's name then we will be unable to match it with the owner.
