"Do Everything in Love" 1 Corinthians 16:14

Monday 18th July 2022

Today, you will receive your child's school report. I hope that as you open this, you are filled with the same delight as I am about the progress and attainment of our children. We are so proud of them and thank you for helping them with their home learning. This week, KSI had a marvellous trip to Twycross Zoo and KS2 were geographers, studying the course of the Ise River and completing an orienteering challenge at Wicksteed. We were very hot but thoroughly enjoyed the experience.

REMINDER: There will be no after school clubs running next week.

22 nd July	Church Service 2pm	Whole school

tz Twycross Zoo

EXPLORING THEIR WORLD

The children had a fabulous time on the 11th July at Twycross Zoo, as did all of the staff!

The children experienced wild animals first hand and had the opportunity to cool off in the Zoo's mini water park!
