"Do Everything in Love" 1 Corinthians 16:14

Friday 23rd September 2022

This week we have thought deeply about the Queen, her service to us all, building a society that celebrates diversity and embraces change. We have used this week to move our school forward; we've had a very successful parent forum. Thank you for all those who attended and shared their ideas. KS2 had a very successful Roman's day and the children have enjoyed learning more about the rise of the Roman Empire. KS1 are learning more about our wonderful town. Hopefully, the sunshine will continue and a trip to Wicksteed would be a way to enjoy some family time together.

A parent at our school visited London yesterday and found our wreath of prayers! It is so wonderful that parents and carers are able to view our wreath whilst paying their respects. Also sent by the parent, is a drawing from her friends' daughter who is thirteen years old, what incredible talent!

Now that term is well underway, let me send good wishes on behalf of the Governors to all the staff, children and their families for the new school year, especially to those who have just joined us at St Mary's.

It is good to note that School is full. Great things have also been accomplished over the summer, notably a complete refit of the heating system, which will be more efficient and cost-effective – good news in these times. Many thanks to our Business Manager, Sarah Hewitt, for managing this project.

As we reach the end of the official period of mourning for the late Queen, it was particularly moving to see how the School responded to her passing and to read about the children's tributes as reported in the Northants Telegraph. Recent events have taught us the value of faith in facing adversity and we give thanks for her example and her life of service.

Very best wishes to all for a healthy and productive school year.
