"Do Everything in Love" 1 Corinthians 16:14

Friday 16th December 2022

What an incredible 2022 this has been. A time of much celebration; Primary Sports School of the year, incredible academic outcomes, trips and lots of opportunities for you to share in the joy of learning.

We consistently remind ourselves that this festive season is for sharing love, kindness and care with one another. Thank you to the staff, volunteers and you, our school family for the incredible contribution you make to our school.

May the love of Jesus Christ bless you and your family at this time, and we look forward to welcoming our children back to school on Wednesday 4th January 2023.

With blessings,

Diane Wright
Headteacher (MA Education)

On the 14th December, our parents joined us for a singing and dancing session. We helped them to learn the songs that we sang for our Christmas performance including the dance moves!

We also sang a range of Christmas songs, we especially liked singing we wish you a merry Christmas and jingle bells, so much so that we sang it twice!! Some of us were very good at shouting out the 'Hey' and doing the laugh for 'ha, ha, ha'.

A great time was had by us all and we loved making our parents join in with the dance moves for 'Baa, Baa, Boogie'.

Thank You

Everyone at St Mary's would like to say a HUGE THANK YOU, to our PFA team, Miss Palmer and Miss Johnson. The amazing effort they both have put into arranging the events and preparing/sorting the raffle prizes for our school has been truly amazing. They have raised £300 on the tombola and raffle which go towards our school. We would also like to thank our parents and carers for their support in this, if you might be interested in joining our PFA team in making a difference to our school, we would love to hear from you.

A character description about the girl from the book Journey by Aaron Becker.

With a frown covering her face, the girl in all her misery was sighing and looking at her watch whilst day dreaming. She always does it, she can't help it. The stairs she was perched on were sitting there depressingly, doing their job of sitting being dull. Her precious scooter was a nice crimson colour; the paint was peeling off revealing a layer of rust underneath. Despite it being an object, she loved it so much therefore she took it everywhere. Drowning her eyes were so many tears, she felt as depressed as a raincloud spraying rain all over the ground, creating puddles in her eyelids. She felt as invisible as a ghost floating about haunting people.
