"Do Everything in Love" 1 Corinthians 16:14

Friday 12th May 2023

What stars year 6 have been as they have completed their SATs tests with such resilience, determination and perseverance.

I am so proud of each and every one of them who have given their very best. This is what loving yourself is all about; being the best version of you so that you can be the best person to help and care for others. Our children show such love, care and support for one another across the whole school. Last week we celebrated the King's coronation. I was so incredibly moved that his first words were to serve others and not to be served. As the Headteacher of this school, I am so blessed to be able to serve each and every child, staff member and you as part of our school family. Together may we continue to go from strength to strength seeking ways to serve one another.

Starting next week, parents and carers are invited to come into school to watch their child's class worship. These will take place in the school hall- entrance via Fuller Street. Please see details below:

Tuesday 16 th May: Miss Welch- 2:30pm-3:00pm
Wednesday 17 th May: Mrs A Brown Yr. 1 2:30-3:00pm
Thursday 18 th May: Miss Perkins- 2:30pm-3:00pm
Tuesday 23 rd May: Mrs Hollingshurst- 2:30pm-3:00pm
Thursday 25 th May: Mr Savage- 2:30pm-3:00pm
Friday 26 th May: Mrs Perry- 2:30pm-3:00pm

Mrs Perry received her certificate of recognition for fundraising £1,326.02 in aid of Make-A-Wish Foundation UK and also a lovely handmade gift donated by a Make-A-Wish supporter.

Diane Wright MA (Education)
HEADTEACHER

Well done for completing your SATs!

Everyone at St Mary's is
so incredibly proud of
your hard work 😊

Thank you to Mrs Studnicka one of our parents for sharing her career and profession. We learnt about how the interiors of very posh cars were made, we found out about the different types of interiors that a customer could choose, we certainly didn't realise that there were over 50 different colours of leather that you can choose from. We also learnt about how the interiors are put together and how many different people that are involved in this process. We also found out how much it would cost to buy a basic car, it would start at £120,000!!
