"Do Everything in Love" 1 Corinthians 16:14

Friday 19th May 2023

This week we have been so pleased to welcome over 60 grown-ups and siblings into school to participate in class worship. I loved the performance by Miss Welch's class of New Testament Saul who became Paul reminding us about our key value FORGIVENESS. Miss Perkin's class brilliantly re-enacted the story of David and Jonathan who demonstrated FRIENDSHIP. Whilst Mrs Brown's class beautifully reminded us about the message of Hope. the hope that we have when we trust in God and treat everyone with love.

All of these key values build into our learning around BULLYING.

Bullying is defined as:

An unkind action or behaviors towards someone which creates an imbalance of power. Bullying is behavior that happens again and again even after we have told our trusted adult and the bully has been told to stop. The bully always knows that they are hurting someone but they still continue.

The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face-to-face or online'.

ANTI-BULLYING ALLIANCE

Definition of bullying

At St Mary's School, loving others is the core expectation for everyone. We remind children to talk with their trusted adults if they have any concerns and for you, their carers to talk with us if you have any concerns. Every child has the right to be safe and we all have the responsibility to keep others safe.

This video is a wonderful reminder of our vision: Do everything in love.

Medication in School

Please may we remind parents and carers that all medication for children MUST be handed in to the school office so that the office staff can administer them to your children safely. This includes cough sweets, inhalers, vitamins etc. Many thanks.

Forest School

Now that the weather is getting warmer, please ensure your child wears long bottoms, sun hat and if needed sun screen. No crop tops or short sleeved tops or bottoms.

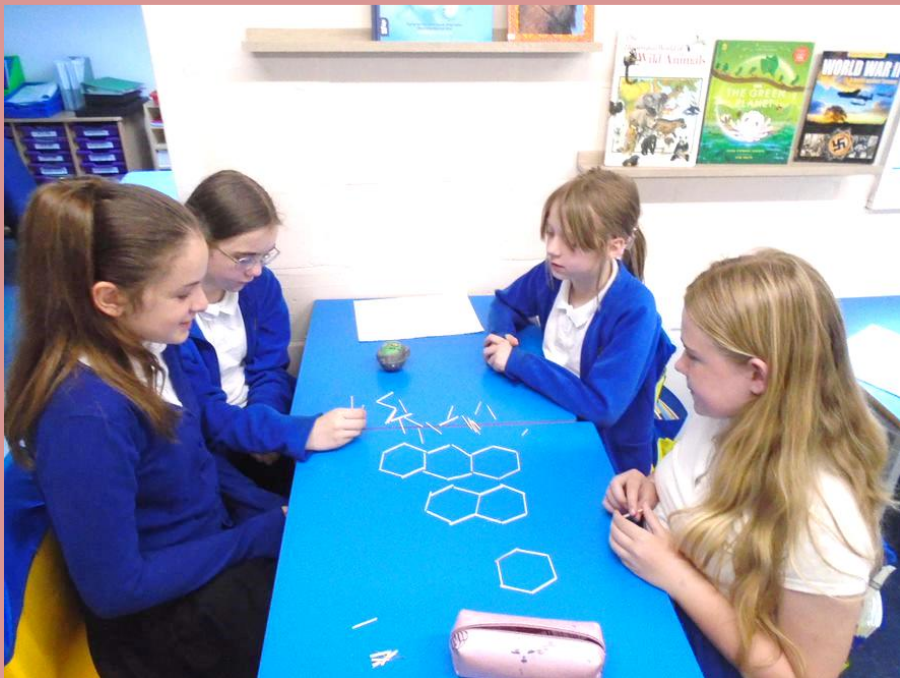

Half term

The last day of term for pupils will be Friday 26th May

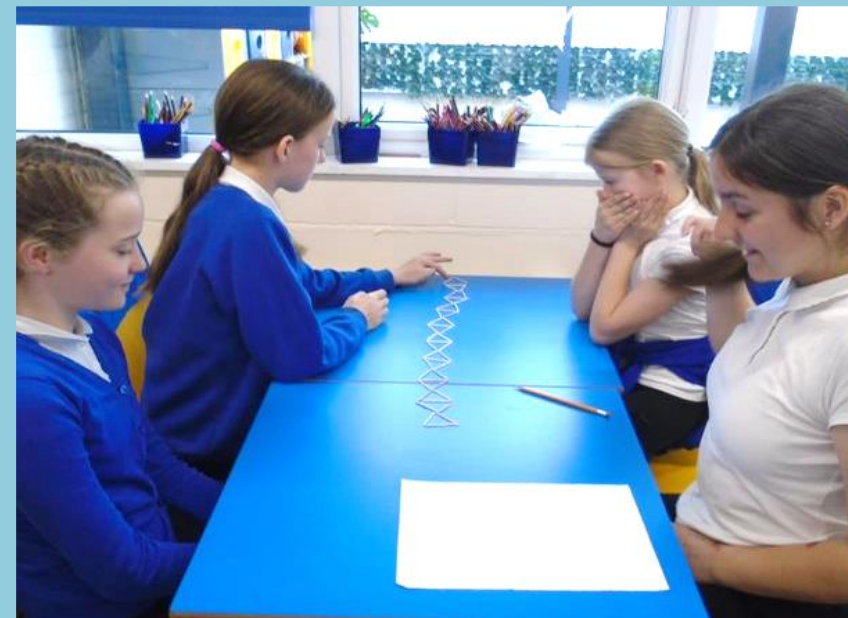

Pupils will return to school Monday 5th June

With warm wishes,

Diane Wright MA (Education)
HEADTEACHER

In year 6, we have been investigating number patterns and sequences. We worked in groups, using shapes of our choice to make sequences. Mrs Perry then changed us to find a formula to find the n th term.

Mrs Brown's Class Worship

In Mrs Brown's class Year 1, we discussed our school vision, what true hope is and how to hope in God. We also performed a ribbon dance and 2 action songs and performed for our audience, our lovely parents and carers.

Mrs Brown was so incredibly proud of her children for their passion and for their clear understanding. Well done children! And a big thank you to the parents that were able to attend.
