"Do Everything in Love" 1 Corinthians 16:14

Friday 26th March 2021

The joy of having your wonderful children back in our school has been fantastic. We have loved seeing them playing, laughing and learning together. I have been around school and watched them working with resolve and concentration and I am so proud of the effort everyone is putting in to make a difference.

As we begin our Easter Holiday, we are thinking about relationship; our relationship with ourselves and those around us. I am led to consider the challenges faced by Jesus Christ as he was confronted with his future. The sacrifice that he made for each and every one of us. That's why, as we leave for Easter, everyone is going home with a chocolate lamb. Jesus reminds us that He is the good shepherd and looks after His sheep.

This call to lead others, helps me to consider how we need to look after one another. The amazing efforts that key workers have put in during this pandemic has been a testimony to us all, that together we are stronger. Together we can make a difference. Let's do everything we can to help each other, support our amazing staff and encourage our children to be the best that they can be.

As always, if you have any concerns, worries or questions please let us know so that we can help.

Easter is the most **important** festival in the Christian calendar. It celebrates God raising his son Jesus from the dead as well as the destruction of the power of sin and death forever. It symbolises the opening of Heaven with the gift of eternal life to everyone.

Today your children will be going home with a little Easter Sentiment shown in the picture below.

Well done to each and every one of our students for all of their brilliant hard work this term. We wish you all a very happy and restful Easter break.

Please note the following:

***School will close to pupils for Easter Half Term on Friday 26th March**

***School will re-open to pupils on Tuesday 13th April**
