

Welcome back Bee Class!

Year 1/2

AUT

Welcome to the Autumn term! I hope you all had a fantastic Summer break! This term we'll have lots of exciting opportunities as we continue on our learning journey. In geography and history, we will be studying our local area. In RE we will be finding out about what makes places sacred to believers and why Christmas matters to Christians and in science we will be learning about animals including humans. We will develop our singing and listening skills in music and in PE we will be learning how to attack, defend and shoot using a range of equipment and we will be learning how to respond to a range of stimuli using our bodies to move in a range of ways and link these actions together to perform in a group. Our young artists will be finding out about the work of Lowry and creating their own pieces using Lowry as inspiration. Don't forget to watch the phonics virtual classroom videos that are emailed home each week! Please remember to bring reading books and reading records to school every day.

A look back at the Summer term:

Children from EYFS learnt all about the seaside and pirates.

Children from Year 1 also had lots of fun learning about the seaside and really enjoyed their trip to the beach at Hunstanton.

Everyone took part in their sports day and had a fantastic time trying new sports and activities.

Key Dates:

Monday 18th September - walk around our local area

Monday 16th October - walk to the Pleasure Park

Thursday 19th November - Reading Cafe (parents/carers welcome)
