

# Welcome to the Eagle Class

Year 3/4

Autumn

Welcome Year 3 and 4 to the Eagle class! I hope you've had an absolutely splendid summer break, and you're now eagerly poised to embark on this exciting new journey with us. Our adventure kicks off with a plunge into history, where we'll journey through the Stone Age and Iron Age, all while pondering the thought-provoking question: 'Would you thrive or survive?' Together, we'll uncover where these early civilizations thrived, how they lived, and how, as budding historians, we piece together the evidence of their existence. In the world of art, we're set to explore the mesmerizing realm of colour theory, where we'll master the art of creating layered prints that are sure to ignite your creative sparks. In our science lessons, we'll venture into the captivating realms of sound, making music, and unravelling the mysteries of how this symphony of sound reaches our ears. Religious festivals will light up our RE studies as we delve into the diverse ways they're celebrated around the world. Meanwhile, in our PSHE lessons, we'll empower each and every one of you to stay safe, discover your unique qualities, and reflect on your roles within our society. This is just a hint of the incredible term ahead, leading up to the festive cheer of Christmas!

Stone Age to the Iron Age

Ancient Greece

Would you thrive or survive?

How did the Ancient Greeks influence the modern world?

Extreme Earth

What is Extreme about Earth?
