*"Do Everything in Love" 1 Corinthians 16:14*

### Friday 15<sup>th</sup> September 2023

This week we have been thinking about wisdom. Our story this week in worship was about Solomon who prayed to God to be wise. Thinking about wisdom is about making good and safe choices. Sometimes it needs time to consider the best ways of doing something. It usually involves making changes to get the best outcomes.

The children cycling to school are almost all wearing helmets now! This is a very wise decision. In 97% of cycling deaths, the rider was NOT wearing a helmet. Please let us know if you are having problems getting a helmet.

Our school family's safety is our number one priority. Thank you to everyone who has helped us keep your children safe by parking and stopping safely around the school. Last week, we had two near misses and someone was hit by a car at the end of school day. Thank you so much to those who have supported and encouraged our staff who have been out there every day making sure that you are all safe.

This week we had the blessing of having a past pupil, Tom Smith come to talk to all the children. In his whole 12 years of education, he never missed one day of school. He attributes his current dedication to studying to his strong start that he had here at St Marys. Tom is now in his second year of study, he is training to be a doctor.

The children so enjoyed the performance of Alice in Wonderland. Thank you to you all for your amazing dressing up costumes. (see pictures on page 3 & 4)
