

Friday 6th October 2023

This week, has been a very busy week with lots of wonderful things happening. The worship warriors, travelled all the way to Daventry to lead worship at Monksmoor Primary and support their children in developing leadership and performance techniques.

Thank you so much to the 100 parents who completed the Christian distinctiveness for our inspection on Wednesday. The feedback was overwhelming and the day provided us with lots of next steps in our journey to improvement. (see page 3 for comments from parents).

On Thursday, some of our year 5 joined with over 50 other schools at Peterborough Cathedral. It was an incredible service, with a primary choir and the awe-inspiring music from several secondary schools including the renowned King's School, Peterborough, Bishop Stopford (Kettering) and Oundle school.

The script 'focus' this week is: A friend loves at all times Proverbs 17:17

It promises to be a sunny weekend, I hope you get outdoors and enjoy, what may be the last of the glorious weather.

"Everyone genuinely cares about your child and your family. It's such a welcoming warm place where you always feel at home and welcomed."

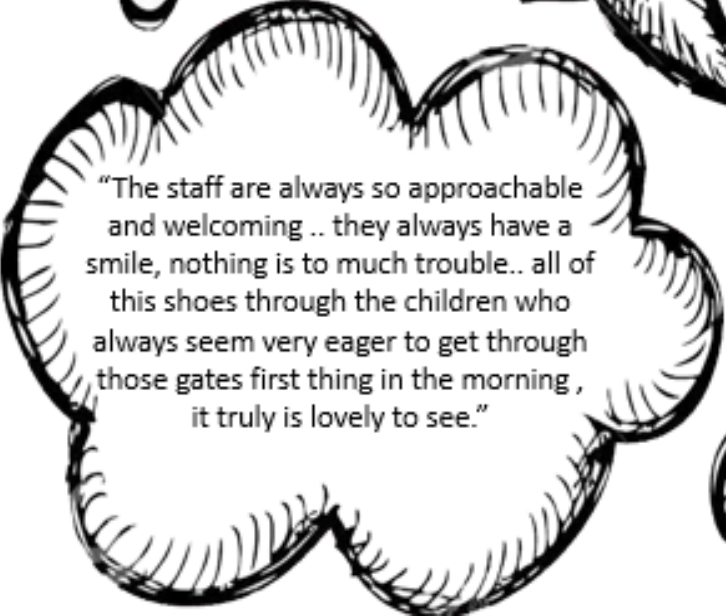

"Everything is good about this school, my daughter is on a EHCP plan and she has had all the love and care she needs from when she started this school, she is now in year 2 and her development has shined through".

What are two things that are good about St Mary's school?

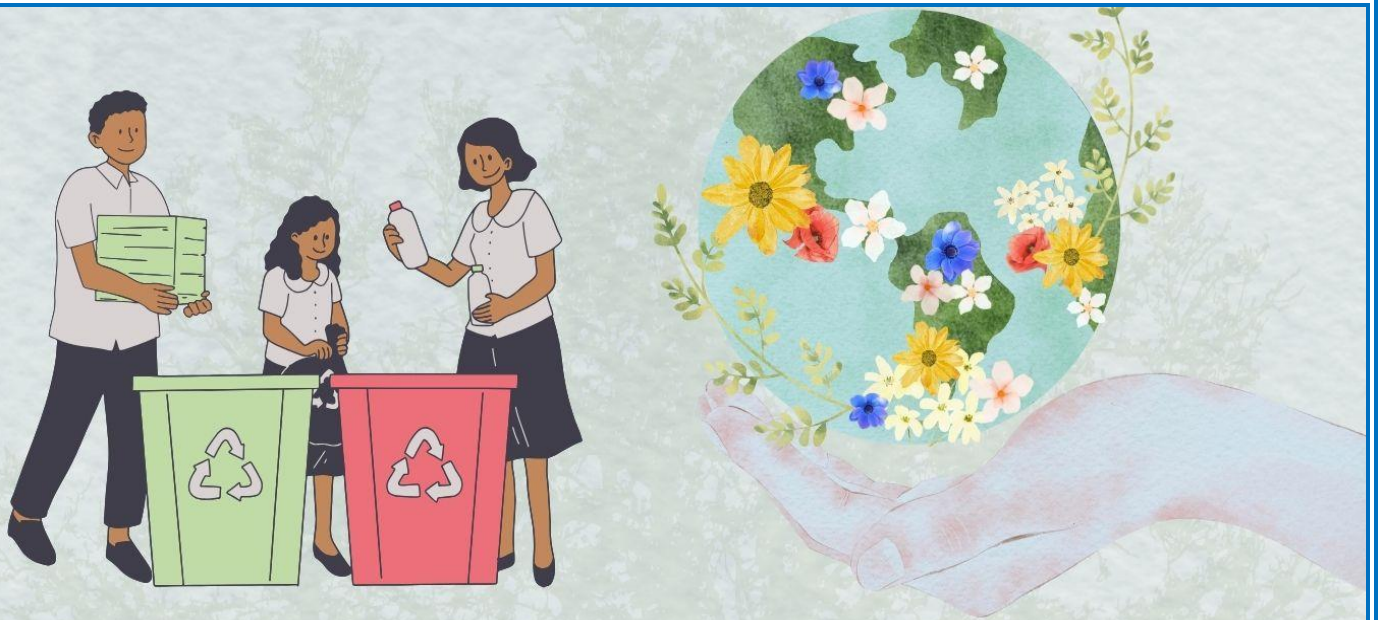

"The teachers are very patient and up lifting to my child . They are good role models as well and always seem happy to see everyone."

"The staff are always so approachable and welcoming .. they always have a smile, nothing is to much trouble.. all of this shoes through the children who always seem very eager to get through those gates first thing in the morning , it truly is lovely to see."

"Parent, teacher and staff communication is always good. A friendly and helpful environment to send you children to school in."

DEAR PARENTS,

WE ARE LETTING YOU KNOW THAT
