

"Do Everything in Love"
Corinthians 16:14

Friday 15th March 2024

This week, the children have been talking with their teacher about their learning journey. We call this MAJ - My Amazing Journey. At this time, your child works with their teacher to decide on their next steps in learning (targets). They also talk about what is going well and what could be even better. Your children are developing key skills which will help them for the rest of their lives. We know from all those who come to visit us, catch us in the street and whilst we are shopping that our children do particularly well in our as they venture onto secondary school and beyond.

When you receive your child's MAJ sheet, you will have an explanation sheet and links to a video to help you understand 'your child's Amazing Journey'.

Today, your child has been part of an incredible challenge day called - Brain Puzzle Challenge. It has been an exhilarating day of problem solving, building resilience and team building.

With blessings,

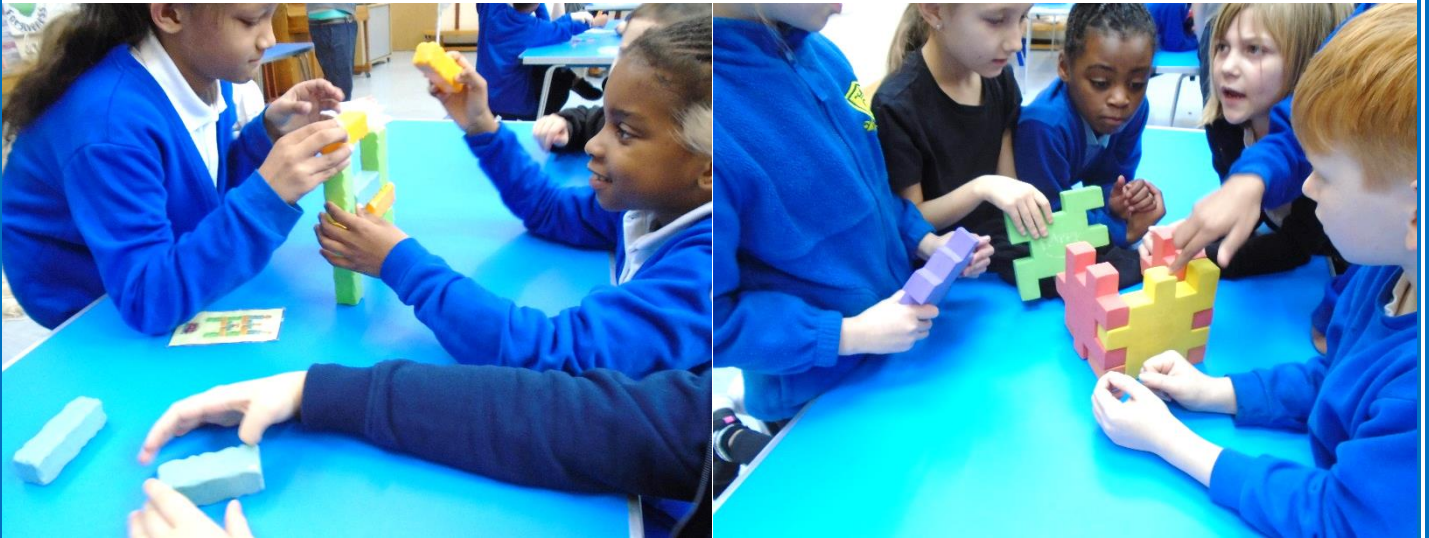

Diane Wright
Headteacher

"Never give up!"

"That nothing needs to be impossible."

"The importance of working as a team."

The Brain Puzzle Challenge

Our Forest School

A row of seven Easter eggs with various patterns: green with white zig-zags, orange with white stripes, red with white stripes, orange with white dots, orange with white stripes, red with white stripes, and green with white zig-zags.

ST MARY'S SCHOOL STAY & PLAY

EASTER THEME

PLEASE COME AND JOIN US ON THE
FOLLOWING DATES WITH YOUR
PRE-SCHOOL CHILDREN FOR OUR STAY AND
PLAY SESSION

25TH MARCH - 1:30PM- 3:15PM

COME TO THE MAIN OFFICE ENTRANCE
THIS EVENT IS FREE OF CHARGE

Monday 11th March 2024

We set fire to different materials on the playground to find out which were flammable. We realised that the Great Fire of London spread because houses were built with flammable materials.

Monday 11st March

This week in PSHE, we have been learning about leadership. We worked together to stack cups but we were only allowed to touch one of the pieces of string. We learnt that only one person can be talking and leading the team and that we all need to try together so that we can successfully make the pattern.

Diary Dates

- 21st March- Class Photos
