

# Welcome Deer class!

Year 2

AUT

Welcome to the Autumn term! This term we will have lots of exciting opportunities as we continue on our learning journey. In geography and history, we will be studying Charles Wicksteed and The Gunpowder Plot. In RE we will be finding out who Christians say made the world and why does Christmas matter to Christians. In science, we will be learning about seasons and animals and their habitats. In music, we will develop our singing and listening skills. In PE we will be learning how to attack, defend and shoot using a range of equipment and we will be learning how to play and work as part of a team. Our young artists will be finding out about the work of Frida Kahlo and will be completing their own self portraits.

Don't forget to watch the phonics virtual classroom videos that are emailed home each week!  
Please remember to bring reading books and reading records to school every day.

## A look back at the Summer term:
