

# Welcome to the Eagle Class

Year 3/4

Autumn

Welcome Year 3 to Eagles class! We have made a great start to the year and are already enjoying preparations for our 125<sup>th</sup> anniversary later in September. Together, we'll uncover when St Mary's was founded, explore log books that tell us more about school life and discover who has been at the school. In the world of art, we're set to create a collaborative piece, sketching our own portraits. In our science lessons, we'll find out about forces and conduct some exciting experiments! In RE, we will explore what Sikh people believe. Meanwhile, in our PSHE lessons, we'll empower each and every one of you to stay safe, discover your unique qualities, and reflect on your roles within our society. This is just a hint of the incredible term ahead, leading up to the festive cheer of Christmas!

Our topics this year

What makes our school special?

125<sup>th</sup> ANNIVERSARY

Fieldwork

Ancient Egypt

Why was the Nile so important to the Ancient Egyptians?

Why is the River Nene so important to Kettering? River Study

Why was the Nile so important to the Ancient Egyptians?
