"Do Everything in Love"
Corinthians 16:14

Friday 27th September 2024

What an incredible week of preparation it has been, gathering photos, memories and preparing our school to be the beacon of love that it is. Thank you so much for everyone who has put in so much effort to make it successful.

Saturday 28th September 11 - 2pm- there will be lots of fun and exciting things to do including:

- A professional videographer to create a living history film,
- community art projects
- creation of memorial garden items
- Macmillan coffee event to fundraise for cancer research
- Lots of fun activities including: various tombola stalls, face painting, children's craft area, spin the wheel, hook a duck, Police vehicle, archery, skateboarding. Fire engine and more!

It is going to be an amazing opportunity to share in our 125-year journey together. Please click the link below to read an article by the Northants Telegraph:
