*"Do Everything in Love"*  
Corinthians 16:14

## Newsletter Update – Friday 14<sup>th</sup> March 2025

Dear School Family, this week has been a truly inspiring one as our Worship Warriors came together to create a beautiful worship centered around the Fruits of the Spirit. Their dedication and creativity shone through as they explored how we can share these virtues in our daily lives.

### Focusing on Kindness and Helping Others

As we reflect on the Fruits of the Spirit, we are particularly mindful of kindness and how we can extend it to those around us. Our Worship Warriors led us in thoughtful discussions and activities, encouraging everyone to think about small acts of kindness that can make a big difference. Whether it's lending a helping hand, offering a kind word, or simply being there for someone in need, we are all committed to making kindness a cornerstone of our community.

### Celebration of the life of Melvyn Hunter

On Friday, we represent our school family as we say goodbye to Melvyn Hunter, a cherished member of our school family who has served as a Governor for over 16 years. Melvyn's humility, compassion, and unwavering support have left an indelible mark on our school. His dedication to our community has been a shining example of living out our school vision: "Do everything in love". Living Our Vision as we move forward, let us carry the lessons of this week with us. By embracing the Fruits of the Spirit and committing to acts of kindness, we can create a

more loving and supportive environment for everyone. Together, we can make a difference and truly live out our vision: "Do everything in love."

Thank you for being a part of this wonderful journey. Let's continue to support and uplift one another as we grow in faith and love.

### Important Dates:

- Thursday 20th March- Class photos
- 25<sup>th</sup> and 26<sup>th</sup> March- Parent consultations
- Thursday, 27th March- Rock Kidz Day
- Friday, 28th March- Leopard, Lion, and Dove classes visit the National Space Centre

## WHAT TO EXPECT:

At Next Thing Education, our goal is to ignite curiosity, fuel creativity, and empower young minds for the future!

Through hands-on coding & STEM experiences, we inspire the next generation of inventors, creators, and tech leaders. Led by DBS checked, friendly and supportive instructors, kids will explore STEM through exciting activities and challenges.

"The best camp we've tried! A perfect mix of fun and learning!"

"My child loved every minute - already asking to come back!"

"Fun, engaging, and educational - highly recommend!"
