THE ST MARY'S MESSENGER

FRIDAY 6TH NOVEMBER 2026

THIS WEEK

Dear Parents and Carers

This week, we have been thinking about people in the Bible who were people of integrity.

We are encouraging our children to show love in all they do.

Over the next few weeks, we are looking introduce new things into our playtimes. If you have: dressing up, baby dolls, push chairs or soft toys we are looking for donations.

Thank you for coming to the parent evenings, it is really important to know how your child is doing and how you can help them.

With blessings

Diane Wright

THE ST MARY'S MESSENGER

FRIDAY 6TH NOVEMBER 2026

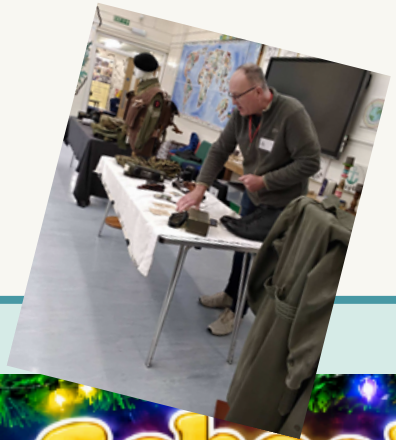

KS2 WW2 AFTERNOON

On Wednesday, for Key Stage 2, a man called Nigel came to visit us with his amazing and interesting World War 2 collection. The children took it in turns to do these activities: draw a World War 2 car, read some books all about World War 2 and write some facts, listen to a talk that Nigel did where he showed us some artifacts, and finally sketch some pictures of Winston Churchill. Some of Nigel's artefacts were an American canister and cup that will have belonged to a soldier, and old bandage some of which were still in their original packaging, a full soldier uniform, two gas masks, a phone/radio, a German language book, an old camera and many more.

My favourite part was sketching the world war 2 car, it was really fun and I got to sit with my freinds. An interesting thing I learntwas that toy companies started to make things for soldiers in world war two, an example is a clicker that soliders could use to indentify themselves to one another.
